honor

The fearless and spirited eldest daughter of an honored warrior mulan is the apple of her father's eye when the emperor mobilizes his troops to fight the onslaught of invaders from the north she masquerades as a man to take the place of her ailing father under the name hua jun setting her on an adventure that will transform her into a legendary warrior. It is said that when filmmakers set out to find the perfect actress to play the title role

in disney's live action version of mulan what they had in mind was an actress who not only embodied. Hua mulan is a legendary fictional female warrior from the northern and southern dynasties period of chinese history originally described in the ballad of mulan in the ballad hua mulan disguised as a man takes her aged father's place in the army mulan fought for twelve years and gained high merit but she refused any reward and retired to her hometown the historic setting of ballad

of mulan is in the northern wei over a thousand years later xu wei s play from the ming dynasty places her.

After all the parison we can see where heroic mulan es from based on general disney storyline patterns and how it is different from the confucian hua mulan in chinese culture i am interested in doing this topic because i just realize a new version of the mulan will e out in march 2020

Aging mulan up a few years will allow the studio to make a slightly more mature film which seems in line with the character s adventurous story line and it could also mean an opportunity for. In the case of mulan a retelling of an iconic 6th century chinese poem it in theory should have a built in chinese audience especially since its 200 million price tag makes it disney s.
