"Reseña del editor A bright and engaging first information book about farms, specially designed for children learning to read.FARM unlocks a free 16-page digital companion book, FARM FUN, offering even more information, photos, and videos!FARM is full of facts and images of all the wonderful things that make a farm run. Recognizable animals, such as roosters and cows, are combined with the more unusual aspects of farm life, such as grain silos and harvesters to ensure that this book is familiar and informative. See fantastic photographs of animals, crops, and mighty machines up close. Watch the farmer hard at work during the changing seasons. The simple text is easy to work out and includes all of the basic word groups that are needed for beginning readers. Biografía del autor Penny Arlon is an author who writes children's non-fiction, taking inspiration from her children. Her books range from pre-school to family reference, and include the Art Attack books, based on the award-winning CITV children's television programme, and all 14 titles in Dorling Kindersley's Eye Know series."

Within the last five years more has been discovered about dinosaurs than ever before by missioning brand new digital images and talking to in the field paleontologists dinosaurs is not only up to date but stunning to look at the book is ordered chronologically and gives the best current information about which dinosaurs lived when and what each was like
