A magisterial work of gripping history, City of Fortune tells the story of the Venetian ascent from lagoon dwellers to the greatest power in the Mediterranean - an epic five hundred year voyage that encompassed crusade and trade, plague, sea battles and colonial adventure. In Venice, the path to empire unfolded in a series of extraordinary contests - the sacking of Constantinople in 1204, the fight to the finish with Genoa and a desperate defence against the Turks. Under the lion banner of St Mark, she created an empire of ports and naval bases which funnelled the goods of the world through its wharfs. In the process the city became the richest place on earth - a brilliant mosaic fashioned from what it bought, traded, borrowed and stole. Based on first hand accounts of trade and warfare, seafaring and piracy and the places where Venetians sailed and died, City of Fortune is narrative history at its finest. Beginning on Ascension Day in the year 1000 and ending with an explosion off the coast of Greece - and the calamitous news that the Portuguese had pioneered a sea route to India - it will fascinate anyone who loves Venice and the Mediterranean world.

**The war of chioggia italian guerra di chioggia was a conflict between genoa and venice which lasted from 1378 to 1381 from which venice emerged triumphant it was a part of the venetian genoese wars the war had mixed results venice and her allies won the war against their italian rival states however lost the war against king louis the great of hungary which resulted**

**in the hungarian** Roger crowley city of fortune how venice ruled the seas covering roughly 1200 to the mid 15 th century crowley covers venice s rise and fall as one of the world s major maritime trading powers he writes vividly quotes often from primary sources and evokes an outward looking freewheeling audacious cultural attitude in venice different from the rest of europe at that time. A magisterial work of gripping history city of fortune tells the story of the venetian ascent from lagoon dwellers to the greatest power in the mediterranean an epic five hundred year voyage that encompassed crusade and trade plague sea battles and colonial adventure. A further fascinating tale is the mercial and military rivalry with genoa which venice also won the big weakness of the book is its ending as crowley s book empires of the sea has covered much of 16th century venetian history city of fortune ends at its start rather inexplicably. Well venice city of fortune ranks among the best history books i have ever read i have spent the best part of my last 20 summers touring around the venetian lagoon i never looked properly i have learnt more from

reading this wonderful book at home than from my unfortunately misguided visits.
