"Pressestimmen It's a cracking good tale ... perhaps the best in the Sharp series.--BooklistThe story of Toronto's Gay Village serial killer was far too macabre and mind-boggling not to be turned into fiction, and Jeffrey Round has done it justice. It's the sixth of his series featuring P.I. Dan Sharp and the best of the bunch so far. He's changed bits and names, and certainly the plot line has a new twist but, this is as good a whodunit as we'll see this year.--Margaret Cannon, Globe and Mail[Jeffrey Round's novels] not only give gay readers increasing representation in the world of crime fiction, but offer straight ones a reasonably complex glimpse of a community they'll likely find isn't especially different from theirs -- except, presumably, for the murderous parts.--Niagara Falls Review, for After the HorsesRound dramatically shows how homophobia, or at least apathy, can blind authorities to a monster victimizing a vulnerable community.--Publishers WeeklyLambda Award-winning writer Jeffrey Round should be a household name not just in households that value gay detective fiction, but outside them as well. I, who am not a connoisseur of or an inveterate fan of detective fiction, don't read Round merely for his tricks of suspense. I value him for his true literary motive: an exploration of human relationships within the circumscription of milieu, circumstance, and character -- in other words, the exigencies of our lives, especially of gay lives, that (as Edmund White puts it) express the introspective advantages of the 'outsider, of the foreigner and of the pioneer.'---- Keith Garebian, award-winning author of William Hutt: Soldier Actor Æber den Autor und weitere Mitwirkende Jeffrey Round is the Lambda Award-winning writer of the Dan Sharp mystery series and the stand-alone mystery Endgame. He has been nominated twice for a ReLit Award and his first two books were listed on AfterElton's™ Top 50 Best Gay Books. He lives in Toronto."
