For the first time ever, over five dozen top-secret military, government, intelligence and corporate witnesses to secret projects tell their true stories which disclose the greatest covert program in world history. This explosive testimony by actual government insiders proves that UFOs are real, that some are of extraterrestrial origin and that super-secret programs have energy and propulsion technologies that will enable humanity to begin a new civilization - a civilization without pollution, without poverty - a civilization capable of traveling among the stars. This is not just a story about UFOs, ETs and secret projects: It is the story of how 50 years of human evolution have been deferred and how these secret projects contain the real solution to the world energy crisis, the environmental crisis and world poverty.
