You could promptly download this *Cortijo S Wake El Entierro De Cortijo By Edgardo Rodriguez Julia Juan Flores* after securing special.

"Pressestimmen 'A highly entertaining account of the wake and burial of Rafael Cortijo. . . . [Edgardo

Rodríguez Juliá's] book mixes first-hand descriptions of places and people with extravagant helpings of personal opinion.'--Gerald Guinness, San Juan Star

Edgardo Rodríguez Juliá's *El entierro de Cortijo* is already a classic in contemporary Puerto Rican literature--challenging, entertaining, and enlightening. It is a real joy to see Juan Flores's translation of Rodríguez Juliá's narrative into English. Flores--sensitive to tone, sound, idiom, and meaning--has done an excellent job. Cortijo's music echoes through the text.'--Arcadio Díaz-Quiñones, Princeton University Synopsis

A bilingual edition of a renowned work of Puerto Rican literature, 'Cortijo's Wake/El entierro de Cortijo' is novelist Edgardo Rodríguez Julia's vivid description of the funeral of legendary Puerto Rican musician Rafael Cortijo. 'El entierro de Cortijo' became an immediate bestseller following its original publication in Puerto Rico in 1983. An unparalleled Afro-Puerto Rican percussionist and bandleader, Cortijo (1928-1982) revolutionized the country's musical culture. His band, Cortijo y Su Combo, captivated Caribbean and Latin American audiences as it emerged in the mid-1950s. Immensely popular across Puerto Rican social classes, the band both 'modernized' the traditional vernacular forms of bomba and plena and forcefully re-established their African and working class roots. The group's innovations have been integral to salsa since the 1960s. Winding through the streets of working-class San Juan with Cortijo's funeral procession, Rodríguez Julia's autobiographical chronicle provides a rare portrait of

the impoverished society from which Cortijo's music emerged. Along with detailed renderings of grief-stricken mourners - including Cortijo's childhood friend and fellow musician, the celebrated singer Ismael ('Maelo') Rivera - Rodriguez Julia records his feelings as he, a light-skinned, middle-class writer, confronts the world of poor black Puerto Ricans. The author's masterly shifting of linguistic registers, his acute sensitivity to Puerto Rican social codes, his broad knowledge of popular music, and his sardonic ruminations on death and immortality make this one of the most widely read books of modern Puerto Rican literature. Well-known critic and cultural historian Juan Flores has provided a scrupulous translation of Rodriguez Julia's text and an introduction situating the book in relation to Puerto Rican music and culture and the careers of Cortijo and Rodriguez Julia.
