"CrÃticas The sights, smells and sounds of responding to an emergency by helicopter come rushing back as Hudson sets the scene in Trauma Junkie. Her descriptive, fast-paced narrative puts the reader at the emergency scene where the most critically injured are treated by highly trained professionals and transported to definitive care in the fastest way possible... Throughout the book, Hudson shares not only her memories, but also her thoughts about life, death and the ability of a ""trauma junkie"" to deal with the past, present and future. The sights, smells and sounds of responding to an emergency by helicopter come rushing back as Hudson sets the scene in Trauma Junkie. Her descriptive, fast-paced narrative puts the reader at the emergency scene where the most critically injured are treated by highly trained professionals and transported to definitive care in the fastest way possible... Throughout the book, Hudson shares not only her memories, but also her thoughts about life, death and the ability of a ""trauma junkie"" to deal with the past, present and future.-- (08/01/2010)

Praise for the previous edition: Her stories of actual helicopter rescue missions and emergency room work are engrossing ... an exciting portrayal of emergency nursing.-- (06/01/2001) Praise for the previous edition: Fast-paced nonfiction that reads like an adventure story, with language, print, and content suitable for reluctant readers ... In a balanced and gripping style, Hudson presents readers with an exciting career option and turns them into vicarious trauma junkies-- (08/01/2001)"
