Jewish holidays chabad.

"Pressestimmen The book opens with the familiar but still funny line some Jews use to describe their holidays: 'They tried to kill us. We won. Let's eat.' Happily, this book takes things further and does so in highly readable manner. All the major holidays are covered, as well as some of the lesser ones, including Tishah-b'Ab, a day that commemorates the destruction of both the First and Second Temples in Jerusalem. Ironically (or not), it is also the day the Jews were expelled from Spain in 1492. Because the book is written without affectation, those new to the holidays will find it a way to understand both the meaning and the observance of Judaism's special days. The text is

full of interesting facts, from the origin of the Kol Nidre service to the story behind gift giving at Hanukkah and the derivation of Moses' name. And, appropriately, each holiday gets a section, called 'Let's Eat,' that details the foods associated with the day (or in the case of Yom Kippur, how to fast). A good starting point for both Jews and their non-Jewish friends who want to know more.--Booklist

If you want to know the story behind the Jewish a cappella group the Maccabeats' latest video, look to this book. If you are one of a burgeoning number of interfaith families, this guide will help you. Axelrod (cantor, Congregation Beth Israel, Scotch Plains, NJ; Surviving Your Bar/Bat Mitzvah) has a facility for making the shofar and the seder accessible to all. Without compromising their theological importance, he sets the 11 most important Jewish holidays in their historical and ritual contexts, adding wit and a bit of whimsy. In explicating a holiday, he titles sections with such headers as 'The Back Story, ' 'Let's Eat, ' and 'The Bottom Line.' Certain celebrations require additional headings such as 'Come on Baby, Light My Fire.' There are 'Tips for Parents' and 'In Depth' segments throughout. He describes the holidays also through real-life applications and scenarios such as alternatives to camping in a tent for seven days during Sukkot. The three appendixes--a 'Quick Guide to the Holidays, ' a Jewish calendar, and a glossary--offer great value on their own. VERDICT. . . This is an excellent choice for readers new to Jewish holidays and history and anyone wishing to incorporate these meaningful celebrations into their own lives.--Library Journal

Über den Autor und weitere Mitwirkende Cantor Matt Axelrod is the author of Surviving Your Bar/Bat Mitzvah: The Ultimate Insider's Guide. He has served Congregation Beth Israel in Scotch Plains, NJ for more than twenty years."
